ABOUT INSIGHT

Insight Hardware Industry & Trade Co., Ltd was founded in Yangjiang, a well known city of knives and scissors in China by Miss. Feng Phoebe in 2003, committing to the design, production and sales of knives as well as kitchen tools.

With over 21 years of development, INSIGHT has become a professional knife enterprise and brand in the hardware industry in China with series of products including: stainless steel knife set, kitchen knife, knife holder, scissors, kitchen accessories, etc. Today, our factory covers an area of about 8,000 square meters, and it has more than 100 staff members. The company boasts a production capacity of about 5,000,000pcs per month.

With advanced production equipment, perfect standardized management and experienced staff, we continue to develop and innovate products. With excellent technical standards, to provide high quality products and create greater value for every customer.

In the coming years, INSIGHT aims to further enhance its own OEM&ODM service's construction and promotion, striving to build a global OEM service brand in the hardware industry. We put our heart into making every knife and kitchen tool and work with you together to create a bright future.
